• Welcome and Introductions
• Today’s Agenda:
  ▪ Schedule
  ▪ Community Engagement Synthesis
  ▪ Phase 1 Screening Results
• Questions and Discussion
• Adjourn
Community Engagement Schedule
Summer and Fall 2014

STAKEHOLDER ADVISORY COMMITTEE (SAC): Advisory committee for each project corridor representing business and property owners, adjacent neighborhoods, and community groups.

TECHNICAL ADVISORY COMMITTEE (TAC): Advisory committee comprised of representatives with technical and/or environmental expertise.

STUDY GROUPS: Residents and business owners with an interest in the project within each geographical area.

CITYWIDE CONVERSATIONS: Citywide public meetings are forums to educate the public at large with upcoming plans, policies, and studies.
