**About Art on the Atlanta BeltLine**

Art on the Atlanta BeltLine makes art accessible to all—the program represents diverse artists and work in a variety of mediums. Since 2010, Art on the Atlanta BeltLine has grown in scope to become the largest temporary outdoor art exhibition in the South that is completely free to the public. Art on the Atlanta BeltLine features a year-round public art collection as well as temporary exhibitions designed to engage the community in thoughtful expression.

The exhibition features the work of hundreds of local, national and international visual and performing artists. Selected installations will include sculpture, dance, murals, theater, outdoor concerts, parades, performance art and more. Art on the Atlanta BeltLine turns the paved and interim hiking trails and parks along the Atlanta BeltLine corridor into a free, linear gallery of public art and performance, exemplifying the transformative nature of the most important redevelopment project in the history of our city.

Your sponsorship keeps the Atlanta BeltLine vision on track — transforming neighborhoods into lively, beautiful, sustainable places with arts at the core of the corridor.

**Who We Are**

Formed in 2005, the Atlanta BeltLine Partnership (ABP) provides the collaborative platform advancing the Atlanta BeltLine project. ABP enables the project by raising money from the private sector and philanthropic community; engages the public through programming, events and activities; and empowers residents of Atlanta BeltLine neighborhoods through partnerships that bring about positive outcomes in the areas of health, housing and economic opportunity.

Atlanta BeltLine, Inc. (ABI) was formed in 2006 to manage the implementation of the Atlanta BeltLine project. Tasked with overseeing the planning and execution, ABI works closely with City of Atlanta departments to define details of the plan, secure public funding, inform and engage members of the community, and serve as the overall project management office for construction of the trails, transit, parks, and other key components.
