Celebrate the 13th year of Art on the Atlanta BeltLine!

About Art on the Atlanta BeltLine
Art on the Atlanta BeltLine makes art accessible to all, drawing thousands of visitors to its public exhibitions. Since 2010, Art on the Atlanta BeltLine has grown in scope to become the largest temporary outdoor art exhibition in the South that is completely free to the community.

The exhibits feature a year-round public art collection as well as temporary pieces designed to engage the community in thoughtful expression. The exhibition places working professionals alongside emerging artists and welcomes residents and visitors into some of the most unique public spaces in Atlanta. Each provides new perspectives on the city and its neighborhoods.

Art on the Atlanta BeltLine represents diverse artists—including the work of hundreds of local, national, and international visual and performing artists. Selected installations will include sculpture, dance, murals, theater, outdoor concerts, parades, performance art, and more, both in person and on the BeltLine Live Stream. Art on the Atlanta BeltLine turns the trails and parks along the corridor into a free and vibrant gallery—exemplifying the transformative nature of the most important redevelopment project in the history of our city.

Your sponsorship will keep the Atlanta BeltLine vision on track: transforming 45 neighborhoods into lively, beautiful, sustainable places with arts at the core of the corridor.

Who We Are
The Atlanta BeltLine Partnership (ABP) provides the collaborative platform for advancing the Atlanta BeltLine project. ABP enables the project by raising money from the private and philanthropic sectors; engages the public through programming events, and activities; and empowers residents of Atlanta BeltLine neighborhoods through partnerships that bring about positive outcomes in the areas of health, housing, and economic opportunity.

Atlanta BeltLine, Inc. (ABI) manages the implementation and execution of the Atlanta BeltLine. ABI works closely with City of Atlanta departments to define details of the plan, secure public funding, inform and engage members of the community, and serve as the overall project management office for construction of the trails, transit, parks, and other key BeltLine components.
